Jeffrey W. Beckner

LEADERSHIP AWARD

Background: From September of 2014 until June of 2016 Jeffrey W. Beckner served as Chief of Department for Botetourt County Department of Fire & EMS. Chief Beckner came to the department after 30 years of service with the Roanoke Fire-EMS department, serving in numerous capacities throughout the organization, retiring as the Deputy Chief of Operations.

Chief Beckner was always known for a host of qualities that made him larger than life. He was a transformational leader that could take any group of people and turn them into a solid team, all pulling in the same direction with one common goal or mission in mind. He is known by many as the "fireman's fireman," never backing down or shying away from any job; even as a chief he routinely would engage in firefighting and other entry-level activities.

In addition to the officer that everyone came to know and love, Chief Beckner was also a family man. Emphasizing to everyone how important family, friends, and taking time to spend with those you love and cherish really is. He is known by his mother as her baby, also there at a moment's notice to help her through whatever obstacle had gotten in her way. His beloved wife Julie, son Zach, and daughter Kara are all forever grateful for the man larger than life that they loved as a father and husband. Some of Jeff's favorite pastimes included: purchasing and fixing up old farm and military vehicles to drive around the farm in, he loved OBX; even having another group of extended family and friends near his vacation home in Corolla. Jeff truly lived life to the fullest.

Chief Beckner exuded the qualities of a strong, well-rounded, caring, and compassionate leader. His leadership lessons live on in many of those trained and mentored by "Chief." Therefore, this award known as the Jeffrey W. Beckner Leadership Award serves as a legacy in memory of Chief Beckner that is annually awarded by the Department of Fire & EMS to the candidate that exudes the attributes that Chief Beckner did.

Selection Criteria:

The candidate selected for this award must be an active participant in the emergency services delivery system in Botetourt County. The candidate being considered for this award should possess the following qualities:

-Strong leadership skills (Ability to develop teams, instill vision, inspire those around him/her)

-Mission Focused (Focused on working towards the mission of protect live, property, and the environment)

-Well-Rounded (Being an upstanding member throughout the community, actively engaged in the community, family oriented)

The minutes of the regular meeting held on July 26, 2016;

The minutes of the work session with VDoT held on August 9, 2016;

The following transfers and additional appropriations:

Transfer budgeted funds of $49,237 from General Services, 100-4040000 to Economic Development, 100-4081500. These are administrative support wages and fringe benefits associated with an employee transfer.

Transfer $298,136.99 from General Fund - Undesignated Fund Balance to Economic Development Authority of Botetourt County account. This will cover expenditures to date for the Eldor Corporation project and other related Greenfield expenditures.

Transfer $125,000 from General Fund – Undesignated Fund Balance to School Capital Reserve Fund. This transfer is to cover near-term costs relating to the School Wireless project, which was approved by the Board of Supervisors in March 2016 as a "not to exceed' $350,000 project. This will bring total transfers to the School Reserve Fund for this project to $295,000.

Additional appropriation in the amount of $350 to Community Development – Professional Services, 100-4034000-3100. These are funds received to offset mowing services in conjunction with code enforcement.

Additional appropriation in the amount of $250 to Parks & Recreation – Education & Recreation Supplies, 100-4071000-6013. These are donated funds received from Cavalier Touchdown Club which will go toward the purchase of youth football equipment.

Additional appropriation in the amount of $550.66 to Sheriff's Department – Vehicle & Power Equipment – Fuels, 100-4031200-6008. These are expenditure reimbursements from the State for extradition expenses.

Additional appropriation in the amount of $2,423.54 to the following Sheriff's Department accounts: $2,078.94 to Wages – Overtime, 100-4031200-1200; and $344.60 to FICA, 100-4031200-2100. These are funds received from the Town of Buchanan for services performed for the Buchanan carnival.

Additional appropriation in the amount of $1,942.46 to the following Sheriff's Department accounts: $1,470.00 to Forest Patrol Salaries, 100-4031200-1900; $112.46 to FICA, 100-4031200-2100; and $360 to Vehicle & Power Equipment – Fuels, 100-4031200-6008. These are reimbursed funds received for Forest Patrol overtime expenses.

Additional appropriation in the amount of $2,742.50 to Sheriff's Department – RAID Patrol, 100-4031200-5830. This is a quarterly reimbursement of RAID Program expenses for the Botetourt County Sheriff's Office Alternative Program.

Additional appropriation in the amount of $2,475.06 to Correction & Detention – Professional Services, 100-4033100-3100. These are funds received from Craig County for their Jail inmates' medical bills.

Additional appropriation in the amount of $1,602 to Sports Complex – Part-Time Wages – Regular, 100-4071300-1300. These are funds received from Piedmont Amateur Softball National Tournament to reimburse costs regarding the week-long national tournament.

Additional appropriation in the amount of $58,474 to Revenue Refunds – Refunds, 100-4092000-5999. This is the State's share of FY16 fines collected by the Commonwealth Attorney's Office through General District Court. The County retains the same amount. The State's share is included in this month's accounts payable; and,

Approval of the Accounts Payable and ratification of the Short Accounts Payable List.

Mr. Zerrilla then stated that he would also like to request approval of a walk-on transfer and accounts payable payment in the amount of $250,000 from the Undesignated Fund Balance to the Economic Development Authority. He noted that this is for payment of the County's incentives for the Ballast Point (Home Brew Mart, Inc.) project.

On motion by Dr. Scothorn, seconded by Mr. Martin, and carried by the following recorded vote, the Board approved a transfer and accounts payable payment in the amount of $250,000 from the General Fund-Undesignated Fund Balance to the Economic Development Authority account for payment of the County's incentives for the Ballast Point (Home Brew Mart, Inc.) project upon closing on the land and building. Consideration was then held on approval of the FY 2017 rollover resolution. Mr. Tony Zerrilla, Director of Finance, stated that these appropriations are for the continuation of programs and capital/equipment-related projects in FY 17 that were begun in FY 16. He noted that this month's requests total $847,014 and include funds for grading of a new pad-ready site at Botetourt Center at Greenfield and for continuation of various Capital Improvement Plan projects.

Mr. Zerrilla noted that, to date, the County has approved $1.5 million in rollover/supplemental appropriation requests. He noted that there is an estimated $1.9 million in budget funds remaining after the July rollover approvals and approximately $1 million in additional supplemental appropriations will be brought to the Board for consideration over the next few months.

He noted that most of the future supplemental appropriations will be for a new fire truck and other CIP items.

After questioning by Mr. Williamson, Fire Chief Tommy Fuqua stated that the new fire truck had some construction delays but should be delivered to the County no later than December 2016. After further questioning, Chief Fuqua stated that the vehicle's price will be the budgeted amount.

On motion by Mr. Williamson, seconded by Mr. Dodson, and carried by the following recorded vote, the Board approved the following supplemental appropriations for FY 17. (Resolution Number 16-08-06)

Consideration was then held on the School's year-end transfer to the Capital Reserve Fund. Mr. Tony Zerrilla, Director of Finance, stated that the School's Capital Reserve Fund was established by the School Board and Board of Supervisors in 2008. He noted that this fund is used for year-end school savings and both the school system and the County benefit from this process.

Mr. Zerrilla stated that, per School figures, as of July 31, 2016, the Fund had a balance of $426,534. He noted that, at the end of FY 16, the school budget had a net surplus of $5,364.79 which was generated from net expenditure savings of $359,246, a net revenue deficit of $357,477, and a $3,596 surplus from the self-sustaining fund.

Mr. Zerrilla stated that the Fund's policy states that two-thirds of year-end savings would be transferred to the School's Capital Reserve Fund and one-third to the County's General Fund. Therefore, he noted that Botetourt County would retain $1,788.26 of the School's surplus, while $3,576.53 would be allocated to the Capital Reserve Fund.

Mr. John Busher, Superintendent of Schools, stated that this Fund has been a great benefit for the County and the School system as future school projects can be funded through these year-end budget savings. He noted that this is a unique program and he thanked the Board for their participation in this program.

Mr. Busher then introduced Mr. James Lyon to the Board. He noted that Mr. Lyon is the School system's new Director of Administration and Finance; the position formerly filled by Dr. Brian Austin. Mr. Busher stated that Mr. Lyon has a background in County administration.

Mr. Lyon stated that he previously worked in the Roanoke County Budget Office for 10 years and, prior to that, he worked in the Bedford County Purchasing Department. Mr. Lyon noted that he is a graduate of the University of Virginia. Mr. Lyon noted that his focal point has been on budget and finance and he has experience in monitoring and tracking revenues and expenditures.

Mr. Lyon stated that he looks forward to working with Mr. Zerrilla and the Board in the future.

The Board welcomed Mr. Lyon to Botetourt County.

After questioning by Mr. Williamson, Mr. Busher stated that the County received approximately $300,000 less in State revenues last year than was budgeted due to decreases in school enrollment figures. He noted that, during development of the FY 15-16 budget, the School system had used an average daily membership figure of 4,725 but the actual March 30 student population was 4,665 which resulted in decreased State revenues.

There being no further discussion, on motion by Mr. Williamson, seconded by Mr. Dodson, and carried by the following recorded vote, the Board approved a reversion of FY 2016 year-end funds totaling $1,788.26 to the County General Fund, and approved a transfer from the County General Fund-Undesignated Fund Balance and an appropriation of funds totaling $3,576.53 to the School Division Capital Reserve Fund. Consideration was then held on a request for use of Capital Reserve Fund monies for a boiler replacement at James River High School. Mr. Tony Zerrilla, Director of Finance, stated that the School Board is requesting up to $325,000 in Capital Reserve Fund monies to purchase a new propane boiler for James River High School.

Mr. John Busher, Superintendent of Schools, stated that the current boiler at James River is not replaceable due to its condition and age. He noted that the groundwater supply that serves the school consists of hard water which damages equipment and supply lines. He noted that there is a water treatment system in place at the school.

Mr. Busher stated that he has to move quickly to replace this boiler as students are now in school and the boiler, which is part of the school's heating system, will be needed during the upcoming fall/winter months.

Mr. James Lyon, Director of Administration and Finance for the Schools, stated that the initial bid for this new boiler was $309,000; however, this price has been negotiated to approximately $260,000. He noted that there are other additional upgrade costs associated with this project besides the boiler.

After questioning by Mr. Williamson, Mr. Zerrilla stated that, as of July 31, there was approximately $426,000 in the School's Capital Reserve Fund; however, earlier today, the Board had approved a transfer of $125,000 from the Undesignated Fund Balance to School Capital Reserve Fund to cover near-term costs relating to the School Wireless project, which was approved by the Supervisors in March 2016 as a "not to exceed" $350,000 project, and approved a transfer of $3,576.53 in year-end funds to the Capital Reserve Fund. Mr. Zerrilla

noted that with the expenditure of funds for the boiler, the Capital Reserve Fund will have approximately $225,000.

There being no further discussion, on motion by Mr. Williamson, seconded by Mr. Dodson, and carried by the following recorded vote, the Board approved a request from the School Board for the use of Capital Reserve Fund monies in an amount not to exceed $325,000 for a boiler replacement at James River High School. Mr. Leffel then recognized Mr. Jerry Burgess, former Botetourt County Administrator, as being in attendance at the meeting.

A public hearing was then held on the allocation of a right-of-way and easement in Vista Corporate Park to VDoT and AEP for the Route 11 improvement project. Mr. David Moorman, Deputy County Administrator, stated that the Highway Department plans to replace the Tinker Creek bridge on U. S. Route 11 in front Vista Corporate Park and an additional 0.042 acres of right-of-way is needed from the County for this project. He noted that this project will also impact the existing American Electric Power (AEP) easement on the County's property which necessitates relocating the permanent utility easement.

Mr. Moorman noted that VDoT has offered $3,100 to the County in compensation for this right-of-way and easement. He noted that staff has reviewed this assessment and determined that it is a fair value for this acreage. Mr. Moorman stated that the County Attorney has reviewed and approved the right-of-way agreement. Mr. Moorman further stated that the staff will review the utility easement and forward it to the County Attorney for review and approval before final signatures are obtained.

Mr. Moorman noted that Mr. Danny Tyler with VDoT is present at the meeting to answer any questions about this project.

After questioning by Mr. Leffel, it was noted that there was no one present to speak regarding this matter. The public hearing was then closed.

On motion by Dr. Scothorn, seconded by Mr. Leffel, and carried by the following recorded vote, the Board approved the option agreement dated July 11, 2016, between the Commonwealth of Virginia and Botetourt County for VDoT Project 0011-011-110, R-201, (Route 11 bridge replacement near Vista Drive) and authorized County staff to execute all necessary documents upon the review and approval of the County Attorney. Mr. Kevin Hamm, Maintenance Operations Manager with the Virginia Department of Transportation, was then present to speak to the Board. Mr. Hamm then reviewed VDoT's monthly report.

He noted that a contract has been awarded to Allegheny Construction Company to replace two narrow bridges on Route 220 north of Eagle Rock. He noted that a pre-construction meeting with the contractor is scheduled for today and the project's construction schedule will

be determined after this meeting. He noted that this project has a fixed completion date of June 2018.

Regarding the Exit 150 project, Mr. Hamm stated that there has been a lot of rock removed from the project and approximately one-half of the curb and gutter work on Gateway Crossing has been completed as of this time. Mr. Hamm stated that some additional rock needs to be removed from the Crossing which will allow the roadway to be asphalted by the end of October.

Mr. Hamm noted that paving on Alternate 220 is complete and the contractor will be relocating his equipment to Routes 615 and 630 shortly.

After questioning by Mr. Williamson, Mr. Hamm stated that, once the section of Route 630 between Thrasher Road and Route 43 is complete, Route 630 from Fincastle to James River High School will have a new surface.

Mr. Hamm stated that mowing continues along the primary and secondary roadways and patching work is progressing with Catawba and Breckinridge Mill Roads next on the schedule.

After questioning by Mr. Dodson, Mr. Hamm stated that work is progressing on the Route 220 corridor study.

Mr. Brian Blevins, VDoT's Area Land Use Engineer, stated that VDoT is considering a large-scale, more comprehensive planning study for the Routes 220, 11, and Alternate 220 corridors. He noted that Mr. Michael Gray, VDoT's District Planning Manager, will also be involved in this study.

Mr. Dodson stated that he would like VDoT to "look at everything that is coming along" the Route 220 and 11 corridors due to the construction of Gateway Crossing and future development proposed in the Exit 150 area.

Mr. Blevins stated that there were several land development and land use permits reviewed/approved by VDoT this month including one from Shentel which is proposing to install fiber optic cable from Harrisonburg to the Mid-Atlantic Broadband hub on EastPark Drive.

After questioning by Mr. Williamson, Mr. Blevins stated that the Local-Approved VDoT Project listed in the monthly report is the Route 606/11 intersection improvements near Mill Creek Baptist Church.

Mr. Martin then thanked VDoT for taking care of the recent problem on McFalls Road. He noted that this involved placement of gravel along this roadway.

There being no further discussion, the Board thanked Mr. Hamm and Mr. Blevins for attending the meeting.

Consideration was then held on a resolution supporting transportation funding for I-81 and other major roads. Mr. Cody Sexton, Information Specialist, stated that during the Board's August 9 work session with VDoT, the HB2/SmartScale program's projects were discussed. He noted that the Board also discussed a number of issues/questions regarding the SmartScale process including funding for major projects on Interstate 81.

Mr. Sexton stated that the Board directed staff to draft a resolution regarding these issues. Mr. Sexton stated that some last minute revisions to this resolution were proposed and he presented the Board with a revised copy for their review. He noted that this revised resolution broadens the scope of the area, includes regional agencies that are involved in the SmartScale application process, and requests the General Assembly to evaluate the need for other areas of Virginia "to have access to additional revenue opportunities for roads."

After questioning by Mr. Martin, Mr. Sexton stated that these additional revenues would possibly include increases in sales taxes, gasoline/diesel taxes, among others. It was noted that Northern Virginia and the Hampton Roads areas were recently authorized by the General Assembly to levy an additional sales tax (0.7 percent) to generate funds for road projects and offset SmartScale funding.

There being no further discussion, on motion by Mr. Williamson, seconded by Mr. Leffel, and carried by the following recorded vote, the Board adopted the following resolution supporting transportation funding on Interstate 81 and other major roads and directed County staff to forward a copy of this resolution to the Commonwealth Transportation Board and the County's General Assembly representatives.

Resolution Number 16-08-10

WHEREAS, the Botetourt County Board of Supervisors is committed to advocating for and ensuring the long-term provision of superior transportation infrastructure both in the County and the region; and,

WHEREAS, the Roanoke Valley, including Botetourt County, is the economic, cultural, and population center of western Virginia; and,

WHEREAS, the Board supports and is actively involved in regional transportation planning through memberships in the Roanoke Valley-Alleghany Regional Commission (RVARC) and the Roanoke Valley Transportation Planning Organization (RVTPO), with the assistance of the Virginia Department of Transportation's Salem District (VDOT Salem); and,

WHEREAS, Interstate 81 is a limited-access, four-lane, divided highway and is the major north-south corridor in Botetourt County, the Roanoke Valley, and western Virginia, which is essential for commuter, commercial, and leisure travel; and,

WHEREAS, the greatest concentration of traffic and safety issues on Interstate 81 in Virginia occur in Botetourt County and the Roanoke Valley; and,

WHEREAS, Interstate 81 is not normally congested in this area but can become greatly congested when any incidents or accidents occur on the road, due to there being only two travel lanes in each direction; and,

WHEREAS, the only alternative to Interstate 81 in Botetourt County during incidents is U.S. Route 11, a four and two-lane highway that also serves as the main street for the Towns of Buchanan and Troutville; and,

WHEREAS, a number of improvement projects for Interstate 81, including safety improvements, realignments, and widenings, have been proposed in recent years to improve the reliability and safety of the corridor; and,

WHEREAS, Botetourt County, RVARC, RVTPO, and VDOT Salem have limited funds available for projects improving the reliability and safety of the Interstate 81 corridor and lack the ability to raise sufficient revenues for such projects; and,

WHEREAS, the aforementioned organizations have access to Smart Scale funds; and,

WHEREAS, the Smart Scale scoring process benefits projects whose costs can be offset with local or regional funds; and,

WHEREAS, Northern Virginia and Hampton Roads were previously given the authority to levy an additional sales tax in order to generate funds for road projects and offset Smart Scale funding; and,

WHEREAS, the Smart Scale process places a heavy emphasis on congestion mitigation and does not take into proper account the needs of roads such as Interstate 81 that have periodic yet major delays from small and large incidents; and,

NOW, THEREFORE, BE IT RESOLVED, that the Botetourt County Board of Supervisors encourages the Commonwealth Transportation Board to categorize Interstate 81 as congested for the purposes of Smart Scale scoring and to reexamine the Smart Scale scoring process for roads that have transit reliability issues similar to Interstate 81; and,

BE IT FURTHER RESOLVED, that the Botetourt County Board of Supervisors requests the Virginia General Assembly to evaluate the need for other areas of Virginia to have access to additional revenue opportunities for roads in those areas; and,

BE IT FURTHER RESOLVED, that County staff is hereby directed to forward a copy of this resolution to the Virginia Commonwealth Transportation Board and the County's representatives in the Virginia General Assembly and encourage their review and action on the above-referenced issues.

Consideration was then held on approval of the Personal Property Tax Relief Act (PPTRA) rate for the 2016 tax year. Mr. Tony Zerrilla, Director of Finance, stated that since 2005 the County has adopted a PPTRA percentage of the relief given to owners of vehicles valued from $1,001 to $20,000. He noted that the County has received $3.4 million in block grant monies each year since 2006 under this program's guidelines to offset this tax relief program's impact on local revenues.

Mr. Zerrilla stated that he, the Commissioner of Revenue, and the County Treasurer, reviewed the impact of used car values and the qualifying vehicle value base in determining the percentage of tax relief for the 2016 tax year. Mr. Zerrilla stated that this year's recommendation is for a 58% tax relief rate which will result in a 42% taxpayer payment portion (a 1% increase over 2015). He noted that last year's relief percentage was 59% with the taxpayer portion set at 41% of the full tax amount.

He recommended that the Board adopt the resolution establishing this personal property tax relief percentage as included in their information packets.

After questioning by Mr. Williamson, Mr. Zerrilla stated that this program was made effective in the County in December 2005 and the County has received a $3.4 million State block grant under this program each year since that time.

There being no further discussion, on motion by Mr. Dodson, seconded by Mr. Williamson, and carried by the following recorded vote, the Board adopted the following resolution establishing the percentage reduction for personal property tax relief at 58% for Botetourt County for the 2016 tax year.

Resolution Number 16-08-11

WHEREAS, in accordance with the requirements set forth in Section 58.1-3524 (C) (2) and Section 58.1-3912 (E) of the Code of Virginia, as amended by Chapter 1 of the Acts of Assembly and as set forth in item 503.E (Personal Property Tax Relief Program or "PPTRA") of Chapter 951 of the 2005 Acts of Assembly any qualifying vehicle with a taxable situs within the County commencing January 1, 2006, shall receive personal property tax relief; and,

WHEREAS, this Resolution is adopted pursuant to amendments to Chapter 23 Taxation of the Botetourt County Code adopted December 20, 2005,

NOW THEREFORE, BE IT RESOLVED, BY THE BOARD OF SUPERVISORS OF BOTETOURT COUNTY, VIRGINIA, as follows:

1. That tax relief shall be allocated so as to eliminate personal property taxation for qualifying personal use vehicles valued at $1,000 or less.

2. That qualifying personal use vehicles valued at $1,001 - $20,000 will be eligible for 58% tax relief for the 2016 tax year.

3. That qualifying personal use vehicles valued at $20,001 or more shall only receive 58% tax relief for the 2016 tax year on the first $20,000 of value; and

4. That all other vehicles which do not meet the definition of "qualifying" (for example, including but not limited to, business use vehicles, farm use vehicles, motor homes, etc.), will not be eligible for any form of tax relief under this program.

5. That the percentage applied to the categories of qualifying personal use vehicles are estimated fully to use all available PPTRA funds allocated to Botetourt County by the Commonwealth of Virginia.

6. That this Resolution shall be effective from and after the date of its adoption.

Consideration was then held on a resolution of support for extension of the Scenic River designation along the James River. Mr. Jim Farmer, Director of Parks and Recreation, stated that the Scenic River System program began in 1970 to encourage protection and preservation of the State's rivers. He noted that in 1985 a section of the James River between Eagle Rock and Springwood was designated as a Scenic River. He noted that, in May 2015, the Town of Buchanan and the County requested the Virginia Department of Conservation and Recreation to evaluate the 14 mile length of the James River between Springwood and the Rockbridge County line for consideration as a Scenic River.

He noted that this evaluation was completed and DCR approved this section of the James River being designated as scenic. Mr. Farmer stated that a resolution of support was included in the Board's agenda packets and, if approved, the County's General Assembly representatives will be asked to submit legislation in 2017 to amend the Code of Virginia extending the Scenic River designation in the County.

Mr. Leffel stated that he is a landowner along the James River and was involved in the first scenic river designation project in 1984/1985. He noted that this designation came about due to a proposal to construct a low-water dam on the James River which would have diverted approximately 7 miles of the river to generate electricity. Mr. Leffel stated that the proposed dam would have considerably lowered the river's level during the summer months which would have impacted boaters and fishermen using the river. He noted that the opposition to this dam resulted in the County seeking the Scenic River designation.

Mr. Leffel stated that, if the dam had been built, there would have been no Twin River Outfitters boat rental business on the James River today. Mr. Leffel further stated that he is happy that a request to extend the Scenic River designation is being considered by the County.

There being no further discussion, on motion by Mr. Williamson, seconded by Dr. Scothorn, and carried by the following recorded vote, the Board adopted the following resolution in support of extending the Scenic River designation of the James River from Springwood to the Botetourt/Rockbridge County line.

Resolution Number 16-08-12

WHEREAS, the Virginia Scenic Rivers Program was enacted by the Virginia General Assembly in 1970 for the purpose of identification, protection, and preservation of certain rivers, or sections of rivers, which possess high quality natural beauty; and

WHEREAS, the Virginia Department of Conservation and Recreation has been charged with administering the Scenic Rivers Program and developing an objective evaluation process to judge the suitability of river segments; and

WHEREAS, the James River in Botetourt County from Eagle Rock to Springwood received Scenic River Designation in 1985; and

WHEREAS, the Town of Buchanan and Botetourt County asked the Virginia Department of Conservation and Recreation to evaluate the 14-mile length of the James River in Botetourt County from Springwood to the Botetourt/Rockbridge County line for consideration of extending the existing designation of this section as a "Scenic River" as enabled by the Code of Virginia; and

WHEREAS, the Department of Conservation and Recreation conducted the evaluation and determined the extended length of the James River meets the criteria for Scenic River designation; and

WHEREAS, the Board of Supervisors would like to pursue formal designation through this process, which requires a resolution of support from the Board of Supervisors and a request to the Virginia General Assembly to amend the Code of Virginia to include this extension;

NOW, THERFORE, BE IT ORDAINED THAT, the Botetourt County Board of Supervisors supports the formal designation of the extension of the Scenic River designation for the James River from Springwood to the Botetourt/Rockbridge County line, and hereby requests the Virginia General Assembly to amend *VAC 10.1-413 A, James River State Scenic River* by changing the statute language to include ". . . 31 miles southeastward to the Botetourt/Rockbridge County line . . .".

Consideration was then held on the establishment of and appointment of persons to the Greenfield Preservation Advisory Commission. Mr. David Moorman, Deputy County Administrator, stated that earlier this year the County announced its intention to establish an advisory commission for the development of a history park in Greenfield for the restoration, presentation, and interpretation of archaeological and historical resources found on the property.

He noted that a draft charge and conditions defining the Commission's composition, purpose, responsibilities, and parameters was developed and included in the Board's information packet. Mr. Moorman further noted that a listing of names of citizens who have expressed interest in serving on this Commission was also included in the Board's packets.

Mr. Moorman stated that the Commission's work will take approximately a year to complete and professional assistance from agencies such as the Virginia Department of Historic Resources, the Virginia Tourism Commission, consultants, etc. will be used when necessary. He further stated that staff will use budgeted funds to engage consulting services to assist with the Commission's work.

Mr. Dodson then thanked everyone who applied to serve on this Commission. He noted that their willingness to "step up and be a part of" this process is appreciated. Mr. Dodson stated that over two dozen citizens expressed interest in serving on this Commission but he believes a more workable group number is necessary to "move the project along." Mr. Dodson stated that he sees this historical area as highlighting the County's history.

On motion by Mr. Dodson, seconded by Mr. Leffel, and carried by the following recorded vote, the Board adopted the attached Greenfield Preservation Advisory Commission Charge and Conditions. (Resolution Number 16-08-13)

Greenfield Preservation Advisory Commission
Charge and Conditions

Charge

It is the charge of the Greenfield Preservation Advisory Commission to develop and recommend to the Botetourt County Board of Supervisors a comprehensive plan for the preservation, historical interpretation, and/or establishment of an on-site history park within the dedicated "preservation area" of Botetourt Center at Greenfield.

Conditions

Composition, Term and Authority

1. The Commission shall be composed of representatives of varied interests and constituencies and persons possessing relevant and contributory expertise, experience, skill and resources. The Commission shall not include any elected official of Botetourt County or any employee of the same.
2. The Commission is a temporary ad hoc body the term of which shall terminate one year from the date of the appointment of its members.
3. A chairman and a vice chairman shall be appointed by the Board of Supervisors.
4. The Commission may and is encouraged to solicit, consult and receive assistance from any third party it, by majority approval, believes can aid in the Commission's work.
5. Commission members shall serve without compensation.
6. No expense shall be incurred by the Commission or any member thereof without prior authorization by the County Administrator or his designee. Any expense incurred without prior authorization shall be the sole and exclusive responsibility of the incurring party/parties.

Meetings and Work with Others

1. The Commission shall work openly and freely in collaboration with independent consultant(s), and with the assistance of a broad spectrum of qualified and relevant subject matter experts, researchers, historic preservationists, museum curators, heritage tourism experts, developers and operators, fund raisers and project financial planners/managers, County staff, and/or other appropriate resource persons, institutions and groups to advise and assist.
2. The Commission shall conduct its business in public meetings and shall adhere to rules and requirements for public meetings and records as provided in law, including the keeping of official minutes and subject to FOIA. All meetings of two or more members will be publicized in advanced and open to the public.
3. A majority of members shall constitute a quorum.
4. Meetings shall operate according to Robert's Rules of Order.

5. Public engagement and comment shall be actively promoted and facilitated throughout the Commission's term. Prior to submission of the Commission's recommendations to the Board of Supervisors, the Commission shall present its recommendations to the general public for review and comment.
6. The Commission shall provide written progress reports to the County Administrator quarterly. In addition, the Commission shall provide an interim reports five and nine months from the appointment of its members with a final report submitted within twelve months of appointment.
7. Technical support, facilitation and administrative assistance shall be provided to the Commission by independent professional consultant(s) paid from funds allocated by the Board of Supervisors for the purpose.

Recommended Plan and Report

1. The comprehensive plan shall include specific recommendations addressing, at minimum:
    a. A conceptual master development plan including required support infrastructures and facilities
    b. A summary of the content, time period(s) representations, artifacts, structures and other extant features to be placed on or available for public display
    c. An evaluation of target visitor populations and projected visitor volumes based on comparable existing heritage sites
    d. A plan for the design of the park
    e. Consistency with and promotion of the County's strategic vision, goals and objectives
    f. Draft action plan and timeline
2. The Commission's work is a priority and should be pursued and completed accordingly. The Commission's work shall be completed and its written report submitted to the Board of Supervisors not later than one year from the date of the appointment of its members.
3. The Commission's report, in addition to including the above, shall also summarize public involvement in the plan's development and public comments on it.

Mrs. Penny Hall, Director, was then present to give the annual report presentation for the Department of Social Services. Mrs. Hall noted that the State's Local Profile Report as included in the Board's information packets was for the June 1, 2014 through May 30, 2015 fiscal year. She stated that as per this report there were 2,544 Botetourt County residents living in poverty as of May 30, 2015, which is 8% of the population. She further stated that 692 (11%) of these individuals are children below 18 years of age.

Mr. Williamson stated that according to the Profile Report the poverty rate in the County has increased over the past 10 years.

Mrs. Hall stated that those families and children living in poverty are the largest growing portion of the population.

After questioning by Mr. Williamson, Mrs. Hall stated that she is not aware of the current State and national poverty rates. Mrs. Hall then stated that the caseloads for her department have shown a slight decrease in FY 2016 for TANF and SNAP (Supplemental Nutrition Assistance Program) but have shown a substantial increase in the Medicaid program.

Mrs. Hall stated that, through the TANF program, the staff works to assist their clients with job preparation, connects them to jobs, and assists needy, low-income families so that their children 18 years of age and younger can be cared for in their own homes.

After questioning by Mr. Williamson, Mrs. Hall stated that TANF stands for "Temporary Assistance for Needy Families."

She stated that the cost of childcare has increased and at times low-income families need assistance to pay for childcare services.

After discussion, Mrs. Hall stated that the Department also has energy assistance programs which assist their clients with heating and cooling costs. She noted that the number of citizens assisted through this program has remained fairly steady over the past few years with approximately 300 heating assistance cases and approximately 100 cooling clients.

Mrs. Hall then stated that the Department has a very low foster care rate but has recently had one child in Foster Care for several months. She noted that they prefer to place children with family members when appropriate. She further noted that their Child Protective Services calls have steadily increased with 221 calls in FY 15 and 372 in FY 16. Mrs. Hall stated that her Department has conducted many community out-reach seminars to educate citizens on child abuse.

After questioning by Mr. Williamson, Mrs. Hall stated that approximately 1/3 of the 372 calls received in FY 16 regarding child abuse were determined, after staff review, to be actual valid complaints. She noted that these types of calls are for abuse that occurred with a caregiver and noted that there are instances of duplicate referrals.

After discussion, Mrs. Hall stated that the Department also has an Adult Protective Services (APS) program which investigates abuse/neglect reports of adults. She noted that they received 76 APS reports in FY 15 and 142 in FY 16.

Mrs. Hall stated that the Department also receives donations from the community to help meet the needs of families that their other programs do not provide for, e.g., rental assistance, one-time prescriptions, etc.

She stated that the Department of Social Services spent $30,044,764 on their programs in FY 2015, which includes the County's budgetary contribution of $752,515. She noted that the benefit programs are a large portion of the Department's annual budget. Mrs. Hall stated that 84.5% of their budget is reimbursed to the County.

After discussion, Mrs. Hall stated that as of June 30, 2015, her Department had 14 filled positions and 3 unfilled staff positions.

She further stated that the Department's FY 16 year-end accomplishments included creating a part-time Fraud position within the existing staff structure to maintain their State-allocated fraud budget allocation. Mrs. Hall noted that, during the current fiscal year, the Department had their first fraud case in over a decade sent to the Grand Jury. She further noted that they have increased their established claims by 80% ($12,421) over the previous year.

Mrs. Hall stated that the Department also increased their State/Federal budget allocations by 3.2% over the previous year due to increased caseloads and compliance with State/Federal performance measures. She further stated that salary realignments were made for nine positions based on a regional/State salary study which helped them reduce their overall spending by 1.3% ($18,532) over last year. Mrs. Hall noted that they also reclassified a vacant position to better meet the Department's growing workload demands and provided $825,000 in federal revenues and $520,000 in State revenues to the County.

After discussion, Mrs. Hall stated that the Department is also concentrating on staff development opportunities. She noted that an additional challenge this year is that the State's new case management software system will go on-line on October 1, 2016. She noted that there were some issues with this system rollout when the Childcare and Medicaid programs went on-line; however, the State has instituted more training to assist in lessening future problems.

After questioning by Mr. Williamson, Mrs. Hall stated that she believes that the State will have adequate help-desk staff available to handle any problems when the new software goes on-line.

Mr. Martin commended the Social Services Department for their work during the recent State audit. He noted that it was not an easy audit and showed commitment by the Depart-

ment's leadership and staff. Mr. Martin noted that the County's Social Services Department serves the County's residents well.

Mrs. Hall thanked Mr. Martin for his comments and noted that the Department has a good relationship with its community partners.

Mr. Martin stated that this year's expenditures are lower than the previous nine budgets.

Mrs. Hall stated that there are ways to make things more efficient in order to accomplish more with less and still do what the Department needs to do.

Mr. Williamson stated that according to his calculations 100 children (2%) each year are abused. Mrs. Hall estimated that this level is 5% - 7%, if not higher, at a national level.

Dr. Scothorn stated that his research shows that the federal poverty level in 2015 was $12,079, which is approximately $7.00 per hour in wages.

There being no further discussion, the Board thanked Mrs. Hall for her report.

After discussion, on motion by Mr. Williamson, seconded by Mr. Dodson, and carried by the following recorded vote, the Board appointed Mr. Lewis Burger and Ms. Leigh Ann Wiser as his alternate as the private provider (Family Preservation Services) representatives on the Community Policy and Management team for a two year term to expire on September 1, 2018. The Chairman then called for a 10 minute break.

The Chairman called the meeting back to order at 3:41 P. M.

A public hearing was then held on an ordinance amending the Western Virginia Regional Industrial Facility Authority's (WVRIFA) Articles of Incorporation. Mr. Michael Lockaby, County Attorney, stated that this hearing is required to "clean-up" portions of the WVRIFA Articles of Incorporation.

He noted that the Authority was formed in 2013 and consists of representatives from the governing bodies of Botetourt, Franklin and Roanoke Counties, the Cities of Roanoke and Salem, and the Town of Vinton. Mr. Lockaby stated that the Articles of Incorporation currently contain language that requires a unanimous decision by all participating localities on any decision to change a project's parameters. He noted that the Code of Virginia only requires that the consent of a majority of the Authority's members be obtained on any issue. Mr. Lockaby further stated that bondholders prefer to not see "unanimous" language in such instances.

Mr. Lockaby stated that the proposed amendments also incorporate Internal Revenue Service Code amendments which will make it easier for the Authority to obtain tax-exempt financing and provide modified terms for participating agreements in individual projects.

After discussion, Mr. Lockaby stated that these proposed amendments were reviewed by himself and the attorneys of the other participating jurisdictions.

Mr. Larrowe stated that these amendments are needed so that the Authority can proceed with its purpose of enhancing the region's economic base. He noted that these amendments will allow economic development projects to proceed in the future whether or not Botetourt County participates in the project. Mr. Larrowe stated that he supports these amendments.

After questioning by Mr. Leffel, it was noted that there was no one present to speak regarding this matter. The public hearing was then closed.

On motion by Mr. Williamson, seconded by Mr. Leffel, and carried by the following recorded vote, the Board adopted the attached resolution amending the Western Virginia Regional Industrial Facility Authority's Articles of Incorporation. (Resolution Number 16-08-17)

A public hearing was then held on a proposed amendment to Chapter 11. Fire Prevention and Protection of the Botetourt County Code to remove "Fincastle Rescue Squad, Inc." from the listing of agencies involved in the County's coordinated fire and EMS system.

Chief Tommy Fuqua stated that this action is needed due to the dissolution of the Fincastle Rescue Squad as of July 1, 2016. He noted that the Fincastle Volunteer Fire Department has accepted the Squad's active members into their membership through this reorganization and will provide Basic Life Support and Advanced Life Support services to Fincastle and the surrounding community. Chief Fuqua stated that this combination of units appears to be working out very well for all parties and he recommended that the Board approve this amendment to the County Code.

After questioning by Mr. Leffel, it was noted that there was no one present to speak regarding this request. The public hearing was then closed.

On motion by Mr. Martin, seconded by Mr. Dodson, and carried by the following recorded vote, the Board approved the following amendment to Chapter 11. Fire Prevention and Protection of the Botetourt County Code to remove "Fincastle Rescue Squad, Inc." from the listing of agencies involved in the County's coordinated fire and EMS system. ARTICLE I. - IN GENERAL

Secs. 11-1 - 11-2. - Reserved.

FIRST AMENDED AND RESTATED AGREEMENT CREATING THE WESTERN VIRGINIA REGIONAL INDUSTRIAL FACILITY AUTHORITY

WHEREAS, the Virginia Regional Industrial Facilities Act, Chapter 64, Title 15.2, Section 15.2-6400, et seq., Code of Virginia, 1950, as amended **(the "Act")** was enacted by the General Assembly of the Commonwealth of Virginia to enhance the economic base for member localities of a regional authority by actions of such an authority to develop, own, and operate one or more facilities on a cooperative basis involving its authority member localities, and

WHEREAS, the exercise of the power granted by the Act is to be in all aspects for the benefit of the inhabitants of the geographic region included within the Member Localities, as defined below **(the "Region")** for the increase of their commerce, and for the promotion of their safety, health, welfare, convenience and prosperity; and,

WHEREAS, the governing bodies of the Member Localities (as defined below) have determined that joint action through a regional industrial facility authority will facilitate the development of needed and desired industrial and commercial facilities in the Region; and

WHEREAS, pursuant to the Act, the governing bodies of the County of Botetourt, the County of Franklin, the County of Roanoke, the City of Roanoke, the City of Salem and the Town of Vinton **(each, a "Member Locality" and collectively, the "Member Localities")** have created, by adoption of concurrent ordinances, the Western Virginia Regional Industrial Facility Authority **(the "Authority")** for the purpose of enhancing the economic base for the Member Localities by developing, owning, and operating one or more facilities on a cooperative basis involving its Member Localities, which concurrent ordinances were filed with the Secretary of the Commonwealth causing the creation of the Authority ; and

WHEREAS, the Member Localities entered into an "Agreement Creating the Western Virginia Regional Industrial Facility Authority" dated as of December 11, 2013 **(the "Original Agreement")** establishing and describing the respective rights and obligations of the Member Localities with respect to the Authority and the Member Localities now desire to enter into this Amended and Restated Agreement Creating the Western Virginia Regional Industrial Facility Authority **(this "Agreement")** to clarify, amend, restate and replace the Original Agreement with this Agreement.

NOW THEREFORE, in consideration of the mutual promises of the parties and other good and valuable consideration the Member Localities hereto amend, restate and replace the Original Agreement with this Agreement as follows:

ARTICLE I.
NAME AND OFFICE

The name of the authority shall be the Western Virginia Regional Industrial Facility Authority and the address of its initial office is C/O Roanoke Regional Partnership, 111 Franklin Road, S.E., Roanoke, VA 24011.

ARTICLE II.
PARTIES TO THE WESTERN VIRGINIA REGIONAL INDUSTRIAL FACILITY AUTHORITY AGREEMENT

The initial Member Localities of the Authority are:

Botetourt County, Virginia
Franklin County, Virginia
Roanoke County, Virginia
Roanoke City, Virginia
Salem City, Virginia
Town of Vinton, Virginia

The governing body of each of the Member Localities shall appoint members to the Authority pursuant to Section 15.2-6403 (A) of the Act. Each of the Member Localities shall appoint two (2) members to the Authority. The members of the Board shall be elected in accordance with Article IV hereof.

Each Member Locality may appoint two alternate board members, to be selected in the same manner as board members and shall perform all duties including voting in the member's absence. Each board member, and alternate, of the Authority before accepting their appointment and begin discharge of their office duties, shall take and subscribe to the oath prescribed in Section 49-1 of the Code of Virginia, 1950, as amended.

At any time subsequent to the creation of this Authority, the membership of the Authority may, with the approval of the Authority Board, be expanded to include any locality within the region that would have been eligible to be an initial member. The governing body of a locality seeking to become a member shall evidence its intent to become a member by adopting an ordinance proposing to join the Authority that conforms, to the requirements consistent with Section 15.2-6402, clauses i, ii, iii and iv of the Code of Virginia.

ARTICLE III.
FINDING; PURPOSE; AND GOVERNMENTAL FUNCTIONS OF THE AUTHORITY

Member Localities agree that this Authority has been established for the following purpose and function.

1. The Member Localities agree that the economy of the Region has not kept pace with the rest of the Commonwealth. The respective individual Member Localities may lack the financial resources to assist in the development of economic development projects and the creation of the Authority provides a mechanism for the Member Localities to cooperate in the development of facilities which will assist the Region in overcoming this barrier to economic growth.

2. The exercise of the powers granted by the Act shall be in all aspects for the benefit of the inhabitants of the Region for the increase of their commerce, and for the promotion of their safety, health, welfare, convenience and prosperity. The Authority shall be nonprofit and

no part of its earnings remaining after payment of its expenses and fulfillment of commitments in furtherance of the Authority's purposes shall inure to the benefit of any individual, firm or corporation, and if the Authority is dissolved in accordance with the provisions of the Act the title to all funds and other property owned by the Authority shall vest in the Member Localities which have contributed to the Authority in proportion to their respective contributions as provided by the Act.

3. The Act provides the six Member Localities with many powers by which the Member Localities may interact as one body or as individual participating groups consisting of one or more Member Localities of the Authority which the members believe will give each local government an opportunity to establish successful partnerships for the development of economic projects which will serve the region.

ARTICLE IV.
BOARD OF THE AUTHORITY

All powers, right and duties conferred by the Act, or other provisions of law, upon the Authority shall be exercise by a Board of Directors (the "Board"). The Board shall consist of two board members from each Member Locality. The governing body of each Member Locality shall appoint two board members to the Board. Except for the provision for staggered terms for the initial board members as provided hereinafter, each board member of the Board shall serve for a term of four years and may be reappointed for as many terms as the governing body desires. During the establishment of the Authority, the Member Localities agree to stagger terms. Each governing body shall appoint their initial board members to serve and designate one of its board members to serve for two years and the other board member to serve for four year terms. After the initial appointment of these board members, each succeeding director shall serve four year terms. If a vacancy occurs by reason of death, disqualification or resignation, the governing body of the Member Locality that appointed the Authority board member shall appoint a successor to fill the unexpired term.

The governing body may appoint up to two alternate board members. Alternates shall be selected in the same manner as board members, and may serve as an alternate for either board member from the Member Locality that appoints the alternate. Alternates shall be appointed for terms that coincide with one or more of the board members from the Member Locality that appoints the alternate. If a board member is not present at a meeting of the Authority, the alternate shall have all the voting and other rights of the board member not present and shall be counted for purpose of determining a quorum.

Each board member of the Authority before entering upon the discharge of the duties of his office shall take and subscribe to the oath prescribed in Section 49-1, Code of Virginia, 1950, as amended.

A quorum shall exist when a majority of the Member Localities are represented by at least one board member. The affirmative vote of a quorum of the Board shall be necessary for any action taken by the Board. No vacancy in the membership of the Board shall impair the right of a quorum to exercise all rights and perform all duties of the Board. The Board shall determine

the times and places of its regular meetings, which may be adjourned or continued without further public notices, from day to day or from time to time or from place to place, but not beyond the time fixed for the next regular meeting, until the business before the Board is completed.

Board special meetings shall be held when requested by board members of the Board representing two or more Member Localities. A request for a special meeting shall be in writing, and the request shall specify the time and place of the meeting and the matters to be considered at the meeting. A reasonable effort shall be made to provide each board member with notice of any special meeting. No matter not specified in the notice shall be considered at such special meeting, unless all the board members are present. Special meetings may be adjourned or continued, without further public notice, from day to day or from time to time or from place to place, not beyond the time fixed for the next regular meeting, until the business before the Board is completed.

The Board shall elect from its membership a chair, vice chair, treasurer, and secretary for each calendar year. The Board may also appoint an executive director and staff who shall discharge such functions as may be directed by the Board. The executive director and staff may be paid from funds received by the Authority.

No board member shall receive compensation.

The Board promptly following the close of the fiscal year (July 1 thru June 30), shall submit an annual report of the Authority's activities of the preceding year to the governing bodies of the Member Localities. The Annual Report shall set forth a complete operating and financial statement covering the operation of the Authority during such reporting year.

The Board may establish dues or other annual financial fees as may be approved by all Member Localities.

ARTICLE V.
POWERS OF THE AUTHORITY

The Authority is vested with the powers of a body corporate, including the powers to sue and be sued in its own name, plead and be impleaded, and adopt and use a common seal and alter the same as may be deemed expedient.

The Authority shall be vested with all powers and authority to the fullest extent allowed under the Act as it currently exists or may be amended. These powers currently include the power to:

1. Adopt bylaws, rules and regulations to carry out the provisions of the Act.

2. Employ, either as regular employees or as independent contractors, consultants, engineers, architects, accountants, attorneys, financial experts, construction experts and

personnel, superintendents, managers and other professional personnel, personnel, and agents as may be necessary in the judgment of the authority, and fix their compensation.

3. Determine the location of, develop, establish, construct, erect, repair, remodel, add to, extend, improve, equip, operate, regulate, and maintain facilities to the extent necessary or convenient to accomplish the purposes of the Authority.

4. Acquire, own, hold, lease, use, sell, encumber, transfer, or dispose of, in its own name, any real or personal property or interest therein.

5. Invest and reinvest funds of the authority.

6. Enter into contracts of any kind, and execute all instruments necessary or convenient with respect to its carrying out the powers of the Act to accomplish the purpose of the Authority.

7. Expend such funds as may be available to the Authority for the purpose of developing facilities, including but not limited to (i) purchasing real estate; (ii) grading sites; (iii) improving, replacing and extending water, sewer, natural gas, electrical and other utility lines; (iv) constructing, rehabilitating, and expanding buildings; (v) constructing parking facilities; (vi) constructing access roads, streets, and rail lines; (vii) purchasing or leasing machinery and tools; and (viii) making any other improvements deemed necessary by the Authority to meet its objectives.

8. Fix and revise from time to time and charge and collect rates, rents, fees, or other charges for the use of the facilities or for services rendered on connection with the facilities.

9. Borrow money from any source for any valid purpose, including working capital for its operations, reserve funds, or interest, mortgage, pledge, or otherwise encumber the property or funds of the Authority, and contract with or engage the services of any person in connection with any financing, including financial institutions, issuers of letter of credit, or insurers.

10. Issue bonds under the Act.

11. Accept funds and property from the Commonwealth, person, counties, cities, and towns and use the same for any of the purposes for which the authority is created.

12. Apply for and accept grants or loans of money or other property from any federal agency for any of the purposes authorized in the Act and expend or use the same in accordance with the directions and requirements attached thereto or imposed thereon by any such federal agency.

13. Make loans or grants to, and enter into cooperative arrangements with, any person, partnership, association, corporation, business or governmental entity in furtherance of the purpose of the Act, for the purposes of promoting economic and workforce development,

provided that such loans or grants shall be made only from revenues of the Authority that have not been pledged or assigned for the payment of any of the Authority's bonds, and to enter into such contracts, instruments and agreements as may be expedient to provide for such loans, and any security therefor. The word "revenues" as used includes grants, loans, funds and property, as enumerated herein.

14. Enter into agreements with any other political subdivision of the Commonwealth for joint or cooperative actions in accordance with Section 15.2-1300, Code of Virginia, 1950, as amended.

15. Do all things necessary or convenient to carry out the purposes of the Act.

ARTICLE VI.
PARTICIPATION AGREEMENTS FOR INDUSTRIAL FACILITIES

The Authority may enter into participation agreements with one or more Member Localities by which industrial facilities may be constructed and developed in the Region **("Participation Agreements")**. Such Participation Agreements may include participation by public and private entities not Member Localities of the Authority.

Each Member Locality may consider its terms in the participation in each proposed project. The cost for such Participation Agreements and any remuneration from the creation of a Participation Agreement shall only be shared by the Member Localities that participate in the Participation Agreement in accordance with the participating agreements for that project. The Authority may from time to time finance an economic development project **(a "Project")** pursuant to a Participation Agreement through the issuance of notes and bonds by the Authority **("Bonds")**. Such Bonds shall be limited obligations of the Authority to be paid solely from revenues and receipts of that particular economic development Project and from revenues that may be received pursuant to any Participation Agreement or other agreement related to the Project being financed, and may be secured by collateral encumbered or pledged in support of the financing **("Project Based Financing")**. Project Based Financing is approved and consented to by the Member Localities. Any individual Member Locality may, at its discretion and as allowed by law, choose to enter into or not enter into a specific Project Based Financing arrangement in support of any particular Project. Any Member Locality not entering into an agreement in support of a Project shall have no monetary obligation or other duty or responsibility in relation to that Project.

ARTICLE VII.
DONATIONS TO AUTHORITY; REMITTANCE OF TAX REVENUE

1. Member Localities are hereby authorized to lend, or donate money or other property to the Authority for any of its purposes. The Member Locality making the grant or loan may restrict the use of such grants or loans to a specific facility owned by the Authority, within or without that Member Locality.

2. The governing body of the Member Locality in which a facility owned by the Authority is located may direct, by resolution or ordinance that all tax revenues collected with respect to the facility shall be remitted to the Authority. Such revenues may be used for the payment of debt service on bonds of the Authority and other obligations of the Authority incurred with respect to such facility. The action of such governing body shall not constitute a pledge of the credit or taxing power of such Member Locality.

ARTICLE VIII.
REVENUE SHARING AGREEMENTS

Notwithstanding the requirements of Chapter 34 of Title 15.2 of the Code of Virginia (Section 15.2-3400 *et seq.*), the Member Localities may agree to a revenue and economic growth sharing arrangement with respect to tax revenues and other income and revenues generated by any facility owned by the Authority. The obligations of the parties to any such agreement shall not be construed to be debt within the meaning of Articles VII, Section 10, of the Constitution of Virginia. Any such agreement shall be approved by a majority vote of the governing bodies of the Member Localities reaching such an agreement, but shall not require any other approval.

ARTICLE IX.
BOND ISSUES

The Authority may at any time and from time issue bonds for any valid purpose, including the establishment of reserves and the payment of interest. According to the Act, "bonds" includes notes of any kind, interim certificates, refunding bonds or any other evidence of obligation. Any such bonds issued pursuant to the Act shall comply with all terms and conditions identified in Sections 15.2-6409, 15.2-6410, 15.2-6411 and 15.2-6412 of the Code of Virginia.

ARTICLE X.
ACCOUNTS AND RECORDS

The accounts and records of the Authority showing the receipt and disbursement of funds from whatever source derived shall be in such form as the Auditor of Public Accounts prescribes, provided that such accounts correspond as nearly as possible to the accounts and records for such matters maintained by corporate enterprises. The accounts and records of the Authority shall be subject to audit pursuant to Section 30-140, and the costs of such audit services shall be borne by the authority. The Authority's fiscal year shall be the same as the Commonwealth's.

ARTICLE XI.
DISSOLUTION OF AUTHORITY

Any Member Locality of the Authority may withdraw from the Authority (i) upon dissolution of the authority as set forth herein *or* (ii) with majority approval of all other Member Localities of the Authority, upon a resolution adopted by the governing body of such Member Locality and after satisfaction as such Member Locality's legal obligation, including repayment

of its portion of any debt increased with refund to the Authority, or after making contractual provisions for the repayment of its portion of any debt incurred with refund to the Authority, as well as pledging to pay any general dues for operation of the Authority for the current and preceding fiscal year following the effective date of withdrawal.

No Member Locality seeking withdrawal shall retain, without the consent of a majority of the remaining Member Localities, any rights to contributions made by such Member Locality, to any property held by the Authority or to any revenue sharing as allowed by the Act.

Upon withdrawal, the withdrawing Member Locality shall also return to the Authority any dues or other contributions refunded to such Member Locality during its membership in the Authority.

Whenever the Board determines that the purpose for which the Authority was created has been substantially fulfilled or is impractical or impossible to accomplish and that all obligations incurred by the Authority have been paid or that cash or sufficient amount of approved securities has been deposited for their repayment, or provisions satisfactory for the timely payment of all its outstanding obligations have been arranged, the Board may adopt resolutions declaring and finding that the Authority shall be dissolved.

Appropriate attested copies of such resolutions shall be delivered to the Governor so that legislation dissolving the Authority may be introduced in the General Assembly. The dissolution of the Authority shall become effective according to the terms of such legislation. The title to all funds and other property owned by the Authority at the time of such dissolution shall vest in the Member Localities which have contributed to the Authority in proportion to their respective contributions.

ARTICLE XII.
AUTHORITY OPERATIONS

The Member Localities shall establish and approve By-laws by which the Authority shall be operated for the benefit of all Member Localities. The Authority may also establish Policies and Procedures and/or a User Agreement in order to manage its daily operations.

ARTICLE XIII.
MISCELLANEOUS

The parties to this Agreement shall have the right to amend from time to time any of this Agreement's terms and conditions consistent with the provisions of the Act and other applicable law, provided that all amendments shall be in writing and shall be signed by or on behalf of each party to this Agreement.

The title of and article headings in this Agreement are solely for convenience of reference and shall not constitute a part of this Agreement nor shall they affect its meaning, construction or effect.

This Agreement may be executed in any number of counterparts, each of which shall be an original and all of which together shall constitute but one and the same instrument. This Agreement shall amend and supersede the Original Agreement.

If any clause, provision or section of this Agreement shall be held illegal or invalid by any court, the illegality or invalidity of such clause, provision or section shall not affect the remainder of this Agreement which shall be construed and enforced as if such illegal or invalid clause, provision or section had not been contained in this Agreement. If any agreement or obligation contained in this Agreement is held to be in violation of law, then such agreement or obligation shall be deemed to be the agreement or obligation of the parties hereto only to the extent permitted by law. In the event that the General Assembly amends the Act in a manner that conflicts herewith, the provision of this Agreement are hereby amended in conformity with such amendment.

IN WITNESS WHEREOF, the governing bodies identified, by authorized action, have caused this Agreement to be executed and their respective seals to be affixed hereto and attested by their respective clerks or secretaries commencing on this ___ day of _____, 2016.

Sec. 11-3. - Coordinated fire and EMS system.

The board of supervisors, determined to provide for public safety, health and welfare of Botetourt County citizens and communities, hereby establishes a coordinated and integrated fire and emergency medical services system currently composed of the Botetourt County Department of fire and EMS and the following volunteer fire departments and rescue squads:

(1) Blue Ridge Volunteer Fire Department & Rescue Squad, Inc.;
(2) Eagle Rock Volunteer Fire Department & Rescue Squad, Inc.;
~~(3) Fincastle Rescue Squad, Inc.;~~
(4 3) Fincastle Volunteer Fire Department, Inc.;
(~~5~~ 4) Glen Wilton Volunteer Fire Department & Rescue Squad, Inc.;
(~~6~~ 5) Read Mountain Fire & Rescue Department Company 12, Inc.; and
(~~7~~ 6) Troutville Volunteer Fire Department of Botetourt County, Inc.

The above stated organizations shall be considered integral parts of Botetourt County's official safety program.

In taking this measure to assure the most efficient and effective service possible and to meet the challenges of the growth and development of the county, the board of supervisors specifically recognizes the essential and historical contributions of volunteers and the necessity of continuing and expanding volunteer participation, without which the county could not discharge its responsibilities.

The coordinated fire and EMS system shall work to develop an integrated and seamless systems approach to the provision of emergency services; promote the interests and welfare of county citizenry and communities; perform with maximum cost-effectiveness consistent with safety objectives; account for service delivery and resource utilization; and, communicate and consider all views regarding the system.

Sec. 11-4 through 11-61. (Same).

Mr. Williamson thanked Chief Fuqua for his willingness to serve as the County's interim fire chief for a second time during the County's search for a new chief.

Chief Fuqua stated that it has been an honor to work with the County over the past few months. He noted that the County will soon have a new chief to carry on the projects begun by Chief Jeff Beckner.

There being no further discussion, on motion by Mr. Martin, seconded by Mr. Williamson, and carried by the following recorded vote, the meeting was adjourned at 3:48 P. M. (Resolution Number 16-08-19)

AGENDA ITEM: Approval of a lease agreement with Spickard, LLC, for office space located at 11 East Main Street for use by the Commonwealth's Attorney.

Administrator's Comments:

County staff has held discussions with Joel Branscom, Commonwealth's Attorney, for over a year regarding the need for larger, more secure space for his office. The office is currently located in 2,240 square feet of leased space owned by the Bank of Fincastle on Roanoke Street in Fincastle.

Mrs. Sue Spickard (Spickard, LLC) owns a 4,500 square foot building at 11 E. Main Street, across from the Parks and Recreation Department, which would provide additional space and a more secure location for the Commonwealth Attorney's office. The County has negotiated the attached lease with Mrs. Spickard for a term of 60 months beginning on December 1, 2016, with an option to extend the lease for an additional 60 month period.

A portion of the Spickard building is currently being leased by the Registrar's Office for storage of voting machines and the County leases a small area for the storage of former County Attorney Buck Heartwell's files. Both of these areas will be maintained when the Commonwealth's Attorney moves into the building. The current lease amounts being paid by the Commonwealth's Attorney, Registrar, and the County for file archive space ($2,919) will be replaced by the new monthly lease amount of $2,900.

Recommendation:

Approve the attached lease agreement with Spickard, LLC, for office space located at 11 East Main Street for use by the Commonwealth's Attorney and authorize staff to sign the agreement on the County's behalf.

LEASE AGREEMENT

THIS LEASE AGREEMENT, made this ____ day of September, 2016, by and between **SPICKARD, LLC**, **GRANTOR**, herein referred to as "Landlord," and **BOTETOURT COUNTY, VIRGINIA**, a political subdivision of the Commonwealth of Virginia, **GRANTEE**, herein referred to as "Tenant."

WITNESSETH:

WHEREAS, Landlord is the sole owner of the following described real estate (the "Premises") described, to wit:

> That certain improved parcel of land located at 11 E. Main Street in the Town of Fincastle, Virginia, and generally known as the Spickard Building, as shown on plat of survey recorded in the Botetourt County Circuit Court Clerk's Office in Plat Book 2, page 7; and being a portion of that same property conveyed to the Landlord by deed dated January 8, 2004, and of record among the land records of Botetourt County, Virginia, as Instrument No. 040000162.

WHEREAS, Botetourt County wishes to lease the premises for use as governmental/business offices;

NOW THEREFORE, in consideration of the mutual covenants contained herein the parties agree as follows:

1. **Description of the premises.** Landlord agrees to lease and Tenant agrees to rent that lot and building, generally described above.

2. **Term of lease.** Tenant agrees to lease the above described premises for a period of 60 months commencing on the 1st day of December, 2016.

3. **Tenant's option to extend term.** The Tenant may, at its sole option, extend the term of this Lease for an additional 60 months following the expiration of the Initial Term set forth in Paragraph 2. The

rent for such Additional Term shall be the same as the amount for the Initial Term. If the Tenant elects to exercise its option to extend the term of this Lease under this Paragraph, it shall send written notice to the Landlord not later than six (6) months prior to the expiration of the Initial Term.

4. **Rent for initial term.** Tenant agrees to pay to Landlord at 3435 Botetourt Road, Fincastle, Virginia 24090 or such other address as the Landlord may designate in writing, the sum of One Hundred Seventy-Four Thousand and no/100 Dollars ($174,000.00) payable in monthly installments of Two Thousand Nine Hundred and no/100 Dollars ($2,900.00) for the lease of the Premises, which rent, without notice, demand or offset, shall be due and payable on the 1st day of each month beginning on the 1st day of December, 2016. The obligation established hereunder is subject to annual appropriation by the Board of Supervisors of Botetourt County for each fiscal year in accordance with Article VII, sec. 10 of the Virginia Constitution.

If any payment due under this Lease, including, but not limited to, the last month's rent, is not received by Landlord within ten (10) days of the date it is due, Tenant shall pay to Landlord a late charge equal to Ten percent (10%) of the late payment. Such late charge shall be considered as Additional Rent due to the Landlord. Tenant's obligations under this paragraph shall survive the expiration or termination of this Lease.

No payment by Tenant or receipt by Landlord of a lesser amount than the Rent or other amounts herein stipulated shall be deemed to be other than on account of the stipulated Rent and amounts due, nor shall any endorsement or statement on any check or any letter accompanying any check or payment thereof be deemed an accord and satisfaction, unless the Landlord otherwise agrees in a writing signed by both Landlord and Tenant. Landlord may accept such check of payment without prejudice to Landlord's right to recover the balance of such amounts or pursue any other remedy provided in this Lease or by law.

5. **Security deposit.** Concurrently with Tenant's execution of this lease, Tenant shall deposit with Landlord an amount equal to one month's rent as security for damage due to Tenant's failure to pay sums due hereunder, misuse of the premises, etc. (the "Security Deposit"). Landlord shall not be required to

pay interest on the Security Deposit or to maintain it in a separate account. Within fourteen (14) days after written notice of Landlord's use of the Security Deposit, Tenant shall deposit with Landlord cash in an amount sufficient to restore the Security Deposit to its prior amount. Within ninety (90) days after (a) the expiration or earlier termination of the leased terms, or (b) Tenant's vacating the premises, Landlord shall return the Security Deposit less such portion thereof as Landlord may have used to satisfy Tenant's obligations. If Landlord transfers the Security Deposit to a transferee of the Building or Landlord's interest herein, then such transferee (and not Landlord) shall be liable for its return. The holder of any Mortgage shall not be liable for the return of the Security Deposit unless such holder actually receives the Security Deposit.

6. **Tenant's Option to Purchase.** The Tenant may purchase the Premises, at its sole option and election, at the end of the Initial Term and at the end of the Additional Term, if the option for the Additional Term is exercised as set forth in Paragraph 3 herein. If the Tenant elects to exercise its option to purchase the Premises under this Paragraph, it shall send written notice to the Landlord not later than six (6) months prior to the expiration of Initial Term or Additional Term. If the Tenant exercises its option to purchase at the end of the Initial Term, the purchase price shall be Two Hundred Seventeen Thousand Seven Hundred and no/100 dollars ($217,700.00); if the Tenant exercises its option to purchase at the end of the Additional Term, the purchase price shall be Two Hundred Sixty-Seven Thousand Seven Hundred and no/100 dollars ($267,700).

7. **Real estate taxes.** During the term of this lease, Landlord shall pay all real estate taxes and real estate assessments imposed on the demised premises by the state, county, or other lawful governmental authority.

8. **Use of premises.** The parties expressly agree that this lease is executed in order that Tenant may use the premises as governmental offices and storage. The demised premises shall not be put to any other use without the prior written consent of Landlord.

9. **Services.** During the term of this lease, Tenant shall be responsible for providing electricity, gas, water, sewer fees, together with any other utilities, custodial, garbage pick-up, and grounds maintenance, including snow removal.

10. **Assignment and sublease.** This lease may not be assigned or transferred, and the premises may not be sublet, either in whole or in part, by Tenant without Landlord's prior written consent.

11. **Right of refusal.** If, during the term of this lease, Landlord decides to sell the property described above, it shall give prompt notice in writing to Tenant of the terms and conditions of the proposed sale. Within sixty (60) days of receipt of such notice, Tenant shall notify Landlord of Tenant's intention to purchase the property upon identical terms and conditions. Tenant shall then consummate the purchase within ninety (90) days of the receipt of notification of the proposed sale or such longer or shorter time as may be provided in a purchase agreement pursuant hereto.

12. **Repairs.** Landlord hereby agrees that during the term of this lease it shall, in the matter of keeping the building and demised premises in good repair, do only the following: keep the HVAC, electrical, plumbing, exterior walls, roof, sidewalks, and exterior steps, decks, and ramps in proper and substantial repair. Repairs shall be carried out as soon as practicable, but in any case substantial progress shall be made within 14 days following a report of any issue requiring repair. Tenant agrees to perform ordinary housekeeping functions for the premises, including but not limited to, replacing light bulbs, ballasts, and changing HVAC filters.

13. **Right of entry to repair.** Landlord reserves the right for itself, its agents and employees to enter upon the premises at any reasonable time to make repairs, alterations or improvements; provided, however, that such repairs, alterations, or improvements shall not unreasonably interfere with Tenant's business operations. Such right to enter shall also include the right to enter upon the premises for the purposes of inspection.

14. **Insurance.** Landlord shall adequately insure the building for fire, casualty, hazard, and liability.

Tenant shall maintain the demised premises in a hazard-free condition. During the term of this Lease, Tenant shall maintain broad form comprehensive general liability insurance, written on an occurrence basis, in the same amount and form as is applicable to all other County property. Tenant shall provide proof of all insurance required hereunder to Landlord upon Landlord's request.

Tenant shall be responsible for all liability within the demised premises, and shall, to the extent permitted by law, indemnify and hold the Landlord harmless from and against any and all liabilities, claims, demands, actions, costs, attorneys' fees and expenses of any kind and nature whatsoever which may be sustained by Landlord by reason of any of the causes set forth in the foregoing paragraph, or by reason of Tenant's occupancy of the Premises, and Tenant shall carry Landlord as a co-insured under its insurance policies.

15. **Damage or destruction by fire or natural causes.** If, during the term of this lease, the building on the demised premises is destroyed by fire, natural causes, or other casualty, or so damaged thereby that it cannot be repaired with reasonable diligence within sixty (60) days, this lease shall terminate as of the date of such damage or destruction. However, if said building can with reasonable diligence be repaired within sixty (60) days, said building shall be, by Landlord, repaired as quickly as is reasonably possible, and this lease shall remain in full force and effect; provided, however, rent shall be abated for any part of said building which is rendered unfit for occupancy for the period that such unfitness continues.

16. **Default.** If any monthly installment of rent as herein called for remains overdue and unpaid for ten (10) days, Landlord shall impose a late charge of ten (10) percent of the monthly rental amount for each month overdue. If any monthly installment of rent and as herein called for remain overdue and unpaid for thirty (30) days, Landlord may, at its option, at any time during such default, declare this lease terminated and take possession of the demised premises.

17. **Signs.** Tenant may place signs advertising its place of business in accordance with all relevant ordinances of the Town of Fincastle and Botetourt County.

18. **Attorney fees.** To the extent permitted by law, Tenant shall be liable for Landlord's attorney's fees and costs, including, but not limited to, court costs, in the event of a breach by Tenant; and similarly Landlord shall be liable for Tenant's attorney's fees and costs, including, but not limited to, court costs, in the event of breach by Landlord.

19. **Non-Waiver.** The failure of either party to insist upon strict conformity with any provision of this Agreement shall not be deemed a waiver of his right to enforce the terms of this Agreement in any other instance.

20. **Entire agreement.** This Lease, together with the plans delivered herewith represents the entire understanding between the parties, and there are no collateral or oral agreements or understanding, and this Lease shall not be modified, changed or terminated unless in writing or equal dignity signed by both parties.

21. **Severability.** Any provision of this Lease which is prohibited by, or unlawful, or unenforceable under Virginia law shall be ineffective only to the extent of such prohibition, without invalidating the remaining provisions of this Lease.

22. **Notices.** In addition to written notices delivered in person or by certified mail, return receipt requested, (postage prepaid) any written notices required or permitted by this Lease Agreement may be sent to the parties at the following addresses:

To the Landlord: Sue Spickard
3435 Botetourt Road
Fincastle, Virginia 24090

To the Tenant: County Administrator

RE: Spickard Building Lease
11 East Main Street, Fincastle, Virginia

Dear Mrs. Clark:

As you may be aware, Botetourt County and I have been in negotiations for lease of the building located at 11 East Main Street in Fincastle in which you currently have leased space for storage of voting equipment. This will confirm that your current lease, dated 16th day of January 2014, is being replaced by a new lease between Botetourt County and Spickard, LLC, dated September 28, 2016, and will terminate at 12:00 midnight on November 30, 2016. The new lease will become effective December 1, 2016.

Sincerely,

Sue Spickard

AGENDA ITEM: Consideration of a resolution accepting the removal of language from the Diamondback Subdivision plat regarding the potential acceptance of a portion of British Woods Drive into the State Secondary System of Highways.

Administrators' Comments:

British Woods Drive (State Route 1010) located off of Alternate Route 220 runs through British Woods and Diamondback Subdivisions, both of which were developed in the 1970s/1980s. The portion of the roadway in British Woods Subdivision is currently in VDoT's Secondary System of Highways; however, the approximately one mile section in Diamondback is a private road.

The Diamondback property owners have requested that the road be accepted by VDoT into the Secondary System for ownership and maintenance. However, the "Notes" section on the plat recorded in 1981 includes the following language, "NOTE: Street Right-Of-Way is not presently in the Secondary System of the State Highway Department and will not be taken into such system until it has been brought up to the standards for such highways set by the State Department of Highways. The cost of bringing such Right-of-Way up to such standards shall be the responsibility of the developer of the parcels or the owner of the parcel or both."

This language states that bringing the right-of-way up to VDOT standards is the responsibility of the landowners which prevents the road from being eligible for VDoT's Rural Addition funds. The landowners have requested that this language be removed from the plat.

The Virginia General Assembly recently approved Section 55-50.4 of the Code of Virginia which allows private roads such as this section of British Woods Drive to be eligible to have State funds used to bring the roadway up to current VDoT standards and be accepted into the Secondary System. This State Code Section requires that 100 percent of the property owners on this private section of road agree to amend the plat to remove the recorded limitation on use of State funds. The County has received signed Deeds of Consent from all of the landowners in the subdivision.

The Plat also contains contradictory language ("NOTE: Street Right-of-Way hereby dedicated to the State Department of Highways."). Typical language on such plats is that the right-of-way is dedicated to the "County" for road use. By removing this language, the property becomes eligible for Rural Addition funds and can be turned over to VDoT as soon as it is upgraded.

Recommendation:

Adopt the attached resolution which accepts all the consent deeds as received and authorizes the staff to have them recorded in the Circuit Court Clerk's Office and authorizes staff to advertise for a public hearing at the October 25 Board of Supervisors meeting for consideration of removal of the 1981 plat language.

RESOLUTION

WHEREAS, on July 9, 1981, the Botetourt County Subdivision Agent approved a plat of subdivision for Section 1 of Diamondback Subdivision (the "Plat"), which is of record among the land records of Botetourt County, Virginia, at Plat Book 10, Page 105; and

WHEREAS, the Plat contained the following note relating to British Woods Drive:

> NOTE: Street Right-Of-Way is not presently in the Secondary System of the State Highway Department and will not be taken into such system until it has been brought up to the standards for such highways set by the State Department of Highways. The cost of bringing such Right-of-Way up to such standards shall be the responsibility of the developer of the parcels or the owner of the parcel or both.

Which plat note effectively prohibited the use of Virginia Department of Transportation or local funds to upgrade the road for acceptance into the State System of Secondary Highways; and

WHEREAS, new legislation adopted by the General Assembly in 2015 and codified as § 55-50.4 of the Code of Virginia, 1950, as amended, provides that such notes may be removed upon consent of all the landowners in the subdivision; and

WHEREAS, all lot owners in Section 1 of the Diamondback Subdivision have given their written consent to removal of the Note:

NOW THEREFORE, the Botetourt County Board of Supervisors hereby:

1. Accepts the consents pursuant to Va. Code § 15.2-1803, and authorizes the County Administrator to execute and record the consent documents among the land records of Botetourt County;

2. Directs the Clerk the cause to be advertised a public hearing pursuant to § 15.2-2272 of the Code of Virginia, 1950, as amended, to receive public comment on a partial vacation of the Plat to remove the abovementioned note, as well as a note providing erroneously that British Woods Drive is dedicated to the State Department of Highways;

3. And this resolution is effective upon adoption.

AGENDA ITEM: Consideration of a Memorandum of Understanding with the Virginia Community College System regarding the shared services facility in Daleville.

Administrator's Comments:

As previously announced, the Virginia Community College System (VCCS) has located its shared services center in the former nTelos building located at 147 Daleville Center Drive.

The County has negotiated a Memorandum of Understanding with VCCS which contains the County's incentives for this project. These incentives include the provision of 117 workstation cubicles and expedited permitting assistance. The County is proceeding with the purchase of these cubicles through the Fort Monroe surplus property sale. VCCS has stated that they will create and maintain 190 full-time jobs at this site by January 1, 2019.

The MoU and Exhibit A, the County's incentives proposal letter, are attached. Exhibit B, Deed of Lease, is 35 pages in length so was not included with this agenda item. Staff will have a copy of the lease at the Board meeting in the event any questions arise.

Recommendations:

Approve the Memorandum of Understanding with the Virginia Community College System regarding the shared services facility in Daleville and authorize staff to sign the document on the County's behalf.

MEMORANDUM OF UNDERSTANDING

THIS **MEMORANDUM OF UNDERSTANDING** ("**MOU**") is made and entered into this 6th day of September, 2016, by and between **COMMONWEALTH OF VIRGINIA, VIRGINIA COMMUNITY COLLEGE SYSTEM** (the "**VCCS**"), a public institution of higher education in the Commonwealth of Virginia, and the **COUNTY OF BOTETOURT, VIRGINIA** (the "**County**"), a political subdivision of the Commonwealth of Virginia.

RECITALS

WHEREAS, VCCS, as tenant, has entered into a lease with DBP, LLC, a Virginia limited liability company, as landlord, dated March 16, 2016 (the "**Lease**") for approximately 37,316 square feet of space consisting of the entire two-story building located at 147 Daleville Center Drive, Daleville, Botetourt County, Virginia and known as the Daleville Business Center (the "**Building**").

WHEREAS, by letter dated December 10, 2015 (the "**Incentive Letter**," a copy of which is attached hereto as Exhibit A), certain donations (the "**Donations**") were offered to assist the VCCS in entering into the Lease with the Landlord and to create and maintain at the Building location 190 full-time jobs at average prevailing wages for the area. VCCS anticipates creating the jobs as follows: 64 by June 30, 2017; a total of 112 by June 30, 2018; and a total of 190 by January 1, 2019. The Donations include an offer to provide and install one hundred seventeen (117) eight foot by eight foot workstation cubicles (the "**Workstations**") at the Building at no cost to the VCCS as needed with VCCS' employment growth. This incentive is valued at approximately $160,000 and is in response to the VCCS' solicitation of sites located in the Rural Horseshoe of the Commonwealth for the VCCS' new Shared Services Center.

WHEREAS, pursuant to § 15.2-953 of the Code of Virginia, 1950, as amended, the County is authorized to appropriate funds to any state college or university which provides services to its residents, and to make gifts of personal property to other governmental entities of the Commonwealth.

WITNESSETH

NOW, THEREFORE, in consideration of the premises and the mutual promises herein made, the parties hereto agree as follows:

1. *Donations.* The County will cooperate with the Landlord and the VCCS to complete the acquisition and installation of fifty (52) workstations by October 30, 2016. Upon not less than 120 days advance notice by the VCCS to the County, the County will provide workstations for the benefit of the VCCS annually in quantities required by the VCCS to support the needs of VCCS employees, with the final installation being completed by June 30, 2018. The cumulative total of workstations to be donated and

installed by the County shall not exceed 117. Installations shall be in locations and an arrangement per a written layout provided in advance by VCCS. VCCS shall be responsible for all electrical disconnects and reconnects.

2. *Reports of full-time jobs.* The County and the VCCS acknowledge and agree that the full-time job numbers listed in the County Incentive Letter were reasonable good faith estimates of the VCCS based upon its due diligence in establishing the Shared Services Center project, and were based upon a phasing of the Center and its staff. At the time written notices under 1. *Donations*, above, are provided, the VCCS shall provide to the County written reports of its then-current full-time employment at the Building and the average wage for all full-time employees at the Building. In addition, an initial report shall be due October 1, 2016, and a final report for the period concluding January 1, 2019, shall be due March 1, 2019.

3. *Donation based on need.* It is contemplated that the value of the Donations as of June 30, 2020, will be $160,000. This donation is based upon VCCS's need for workstations. As of January 1, 2019, it is anticipated that VCCS will have at least 90% of 190 full-time employees (i.e., 171 employees) at the Building. If fewer than 171 full-time employees are employed continuously at the Building by January 1, 2019, as reported and certified by the VCCS, then the VCCS will partially return the Donation to the County, by no later than June 30, 2019, at a rate of $500 for each full-time job under 171 that exists at the Building.

4. *Lease.* VCCS agrees that Exhibit B attached hereto is a true and complete copy of the Lease.

5. *Notice.* All notices, demands, requests and other communications required or permitted pursuant to this Agreement shall be in writing and shall be delivered in person or shall be sent by registered or certified mail, postage prepaid, return receipt requested, to the persons and at the addresses set forth below or to such other persons or addresses as the party entitled to notice shall specify:

To VCCS:

Mr. Robert B. (Bert) Jones, Associate Vice Chancellor
Facilities Management Services
Virginia Community College System
300 Arboretum Place, Suite 200
Richmond, VA 23236

To the County:

Mr. Gary Larrowe, County Administrator
Botetourt County, Virginia
1 West Main Street; No. 1
Fincastle, VA 24090

6. *Voluntary donation.* In accordance with § 15.2-953 of the Code of Virginia, 1950, as amended, and the Virginia Constitution, art. VII § 10, the donations herein set forth are voluntary and subject to annual appropriation.

Virginia, 1950, as amended, and the Virginia Constitution, art. VII § 10, the donations herein set forth are voluntary and subject to annual appropriation.

7. *Integration.* This Agreement, including the recitals and exhibits hereto, constitutes the full and complete agreement of the Parties respecting its subject matter, and any prior or contemporaneous agreements or understandings, written or oral, are hereby merged into and superseded by the provisions of this Agreement. This Agreement may only be amended or supplemented by a subsequent writing of equal dignity except where expressly set forth herein. This Agreement may not be assigned by a Party without the prior written consent of the other Parties.

8. *Choice of law.* This Agreement shall be construed according to the laws of the Commonwealth of Virginia without regard to its principles of conflicts of laws. The Parties consent to exclusive venue and jurisdiction in any state or federal court of competent jurisdiction within the Commonwealth of Virginia.

December 10, 2015

Mr. Bert Jones, RA, CBO, VCCO
Associate Vice Chancellor for Facilities Management Services
Virginia Community College System
300 Arboretum Place, Suite 200
Richmond, VA 23236

Dear Mr. Jones:

Botetourt County is pleased to offer this preliminary incentives proposal to support the location of VCCS' Shared Service Center facility in the Daleville Business Center in Daleville, Virginia.

Our understanding is that VCCS would lease office space between July 1, 2016 and January 1, 2019, and create and maintain 190 full-time jobs at the location as follows:

Year 1	Year 2	Year 3
By 6/30/17	By 6/30/18	By 1/1/19
64	163	190

It is our further understanding that compensation for the jobs would be commensurate with average prevailing wages in the area.

Based on this information and subject only to the execution of a mutually-agreeable performance agreement, Botetourt County offers the following assistance:

- Expedited permitting assistance relative to any improvements or renovations required or undertaken to facilitate VCCS' occupancy and use of the leased space; and

- Through the County's Economic Development Authority, the provision and installation of one hundred, seventeen (117) eight-foot-by-eight-foot workstation cubicles at no cost to VCCS as needed with employment growth. This incentive is valued at $160,000.

In combination with the very aggressive lease rate and terms proposed by the owner and the workforce, logistic, and quality-of-life advantages afforded by a Daleville location, we are very hopeful for a favorable location decision. If you have any questions, please contact me.

Sincerely,

David V. Moorman
Interim County Administrator

AGENDA ITEM: Designation of voting delegate and alternate for the VACo annual meeting in November.

Administrator's Comments:

The Virginia Association of Counties' (VACo) annual meeting will be held from November 13 – 15, 2016, at The Omni Homestead resort in Bath County. The group's annual business meeting will be held on Tuesday the 15th and the County is required to designate a representative of its Board of Supervisors to cast its vote(s) at this meeting.

Several Board members plan to attend this conference; therefore, it is recommended that the Board designate one member as the County's voting delegate and another as an alternate.

Recommendation:

Designate a voting delegate and alternate for the VACo annual business meeting on November 15.

AGENDA ITEM: Appointments.

Administrator's Comments:

The following appointment-related items are listed on this month's agenda:

A. The terms of Mr. John Kilby and Mr. Jeff Emry on the Economic Development Authority expire on November 1, 2016. These are four year terms.

Mr. Kilby and Mr. Emry have been contacted and they are willing to be reappointed.

B. The term of the County's representative on the Roanoke Valley Alcohol Safety Action Program Policy Board and the Regional Community Criminal Justice Board expired on July 1, 2016. This is a three year term.

Sheriff Ronnie Sprinkle's term on the VASAP Policy Board and the Regional Community Criminal Justice Board expired on July 1, 2016. Sheriff Sprinkle has recommended that Captain John R. Mandeville be appointed to these boards in his place.

Recommendations:

A. Reappoint Mr. John Kilby and Mr. Jeff Emry to the Economic Development Authority for four year terms to expire on November 1, 2020.

B. Appoint Captain John R. Mandeville as the County's representative on the Roanoke Valley Alcohol Safety Action Program Policy Board and the Regional Community Criminal Justice Board for a three year term to expire on July 1, 2019.

AGENDA ITEM: Consideration of resolution of support for Smart Scale project applications.

Administrator's Comments:

As a part of the Smart Scale (formerly HB2) project application process, the Board of Supervisors is asked to formally support the projects proposed in Botetourt County. In addition to project applications made by the County, the resolution of support also endorses the applications submitted by the Roanoke Valley-Alleghany Regional Commission (RVARC) and the Roanoke Valley Transportation Planning Organization (RVTPO). Those projects are:

- Fincastle Bypass
- I-81 Exit 150 Park and Ride
- Rt. 696 (Buhrman Road/Locust Bottom Road) Realignment
- I-81 Southbound Auxiliary Lane – Exit 150 to Weigh Station
- I-81 MM 166.7 - 169.4 Improvements

Recommendation:

Adopt the attached resolution of support for the Smart Scale project applications.

RESOLUTION OF SUPPORT
SMART SCALE PROJECT APPLICATIONS

WHEREAS, the Botetourt County Board of Supervisors is committed to advocating for and ensuring the long-term provision of superior transportation infrastructure both in the County and the region; and,

WHEREAS, the Board supports and is actively involved in regional transportation planning through memberships in the Roanoke Valley-Alleghany Regional Commission (RVARC) and the Roanoke Valley Transportation Planning Organization (RVTPO); and,

WHEREAS, the Virginia Commonwealth Transportation Board's application guidelines allow localities and regional entities, such as RVARC and RVTPO, to apply for funding through the Smart Scale process; and,

WHEREAS, staff from Botetourt County, RVARC, RVTPO, and VDoT have identified five transportation projects in the County that would provide the greatest benefit to the citizens of and visitors to the County and the region and could possibly compete well in the 2016 Smart Scale process; and,

WHEREAS, staff from RVARC, RVTPO, and VDOT have also identified other transportation projects throughout the region that will provide extensive indirect benefits to Botetourt County;

NOW, THEREFORE, BE IT RESOLVED, that the Botetourt County Board of Supervisors fully endorses and supports an application by County staff for the Fincastle Bypass, I-81 Exit 150 Park and Ride, and Rt. 696 Realignment projects; and,

BE IT FURTHER RESOLVED, that the Botetourt County Board of Supervisors fully endorses and supports applications by the Roanoke Valley-Alleghany Regional Commission staff for the following transportation project: I-81 MM 166.7-169.4 Improvements; and,

BE IT FURTHER RESOLVED, that the Botetourt County Board of Supervisors fully endorses and supports applications by the Roanoke Valley Transportation Planning Organization staff for the following transportation project: I-81 Southbound Auxiliary Lane – Exit 150 to Weigh Station; and,

BE IT FINALLY RESOLVED, that the Botetourt County Board of Supervisors, in a spirit of regionalism and cooperation, fully endorses and supports other applications made by the staff of the RVARC and the RVTPO for transportation projects outside of Botetourt County which will benefit the region as a whole.

AGENDA ITEM: Consideration of resolution requesting the acceptance of an extension of Bridge Street North in the Town of Buchanan into the Secondary System of Highways.

Administrator's Comments:

Hearthland Subdivision in the Town of Buchanan was developed in the early 1990s. It has been discovered that a small section (0.1 mile) of Bridge Street North (State Route 1303) was not formally accepted by VDoT into the Secondary System of Highways for maintenance.

This existing roadway will be surface treated from the intersection of 4th Street to the End of State Maintenance. The rural addition referenced in the resolution will begin at the End of State Maintenance and include surface treatment along the construction of the cul-de-sac.

Recommendation:

Adopt the attached resolution approving a 0.01 mile section of Bridge Street North be accepted into VDoT's Secondary System of Highways.

A Resolution Approving a Portion of
Bridge Street North (Route SC1303), Buchanan Magisterial District,
Into the Virginia Department of Transportation Secondary System

WHEREAS, the street described below currently serves at least 3 families and was established prior to July 1, 1992, at which time it was used by motor vehicles as a public access, and

WHEREAS, the County has determined its subdivision ordinance satisfies subsection B of §33.2-335 Code of Virginia, and is therefore eligible to make qualifying additions to the secondary system of state highways maintained by the Virginia Department of Transportation and fund necessary improvements as setout therein, except as otherwise prohibited by subsection B of §33.2-336 Code of Virginia, and

WHEREAS, this Board has identified immediately available funding to make improvements required to qualify the street for addition to the aforesaid secondary system of state highways, based on the Department's cost estimate of $35,000,

NOW, THEREFORE, BE IT RESOLVED, pursuant to §33.2-335, Code of Virginia, this Board requests the following street be added to the secondary system of state highway maintained by the Virginia Department of Transportation and hereby guarantees the right-of-way of the street to be clear, unencumbered and unrestricted, which right of way guarantee shall include any necessary easements, required for cuts, fills, and drainage:

Name of Subdivision:	Hearthland Subdivision (Plat Book 14, Page 73)
Name of Street:	Bridge Street North, Route SC1303
From:	Existing end of State maintenance
To:	Cul-de-sac
Length:	0.1 miles
Guaranteed Right of Way Width:	45 feet
Source of Funds:	Botetourt County Secondary System Construction Program Funds ($35,000)

BE IT FURTHER RESOLVED, this Board agrees to reimburse, within 45-days of receiving an invoice, all costs that the Virginia Department of Transportation incurs to relocate existing utilities within the right of way that are discovered during the course of and in conflict with the construction, drawing such funds from resources other than those administered by the Department, and

BE IT FURTHER RESOLVED, this Board agrees to reimburse, within 45-days of receiving an invoice, all costs that the Virginia Department of Transportation incurs in the construction of necessary improvements to the road that are over and above the estimated cost of improvements or to otherwise identify an eligible source of funds administered by the Department to cover such costs, and

BE IT FINALLY RESOLVED, that a certified copy of this resolution and a county check in the amount of $__0__ be forwarded to the Residency Administrator of the Virginia Department of Transportation.

AGENDA ITEM: 3:00 P. M. - Presentation by Roanoke Gas Company on upcoming improvements to their County infrastructure.

AGENDA ITEM: 3:15 P. M. – Consideration of Employee Health Insurance Plan Renewal for the 2016 / 2017 Health Plan Year.

Administrator's Comments:

Ms. Nancy Grasso, Principal of One Digital Health and Benefits, representing the County's employee health benefits consulting firm, will provide an executive overview as well as pertinent details regarding the County's health plan renewal proposal for the 2016 / 2017 health plan year. This new plan year begins December 1, 2016.

Recommendations:

1. Receive Ms. Grasso's report on insurance renewals.

2. Following questions and answers and discussion, authorize renewal agreements with MedCost Benefit Advisors, Revolv, and Kroger Prescription Plans as recommended and in substantial conformance with the terms outlined in the overview and authorize execution of same by staff upon the review and approval of the County Attorney.
