### Temporary Electrical Service Agreement

I understand that temporary electrical service or service to Accessory Buildings not connected to a Residential or Commercial Building Permit are not to be used to violate any other County Ordinances such as supplying power to campers, non-approved structures, motor homes, etc. (Botetourt County Code [http://www.botetourtva.gov/government/municipal\\_code.php](http://www.botetourtva.gov/government/municipal_code.php))

I also understand that the electrical service will be terminated if it is determined that a violation of the above exists.
