

This event will be held in Historic Fincastle, Virginia. Fincastle was incorporated in 1772 and has been the County seat for Botetourt County since that time. It is currently a town of 350 people and is a virtual museum of American architecture from the late 1770's through the 21st century.

Both the County Courthouse and the Museum are filled with records of families who migrated through the Shenandoah Valley on their way south and west.
