

**BOTETOURT COUNTY LANDFILL RATES, FEES, AND CHARGES**

*Effective November 27, 2018*

The property at 259 Landfill Road, Troutville, Virginia 24175 is designated as the County Landfill under the provisions of § 20-56 of the Code of Botetourt County, Virginia, 1985, as amended. These rates, fees, charges, and policies are adopted by the Board and the County Administrator under §§ 20-57, 20-57.1, and 20-59 of the Code.

The following unit prices apply for **in-County waste only**.

Per ton of acceptable residential, construction, and/or industrial waste. .....	\$49.50
Per pickup truck load, if less than 500 total pounds of solid waste crossing the scales. .....	\$10.00
Per passenger car load, if less than 80 total pounds of solid waste crossing the scales. .....	\$5.00
Per tire, less than 20 inches in diameter. .....	\$3.00
Per tire, 20 or more inches in diameter. .....	\$10.00
Appliances and white goods, no Freon. .....	\$5.25 each
Recycling, less than 10% contamination. .....	\$0.00

- Tires are from cars, trucks, and tractors. No heavy equipment tires will be accepted.
- Waste originating outside the County or not addressed in fee schedule will be priced as negotiated with County Waste, the Landfill Manager.
- Animal carcasses are no longer accepted.
- Curbside collection by County-franchised haulers will continue to be \$22.00 per month. Customers should contact franchised haulers directly to arrange service.
- The County and the Landfill Manager reserve the right to reject any and all recycling material, and impose the charge for solid waste disposal, if it appears, in the sole judgment of the County and/or the Landfill Manager, to have more than 10% contamination.
