

Computer & Technology Classes September 2014

Meet Windows 8.1

Thursday, September 11th: 6:00pm – 8:00pm @ Fincastle Library

Are you new to Windows 8.1? Do you find yourself feeling stumped trying to do things that you used to do on older versions of Windows? Then you are just like everyone else with this new and completely different Windows interface. Join us as we discuss tips and tricks to make life with the new Windows much easier.

Call the Fincastle Library at 540-473-8339 to register.

Computers for Beginners

Tuesday, September 16th: 2:00pm - 4:00pm @ Blue Ridge Library

Would you like to learn how to use a computer but don't know where to start? If so, this class is for you! We'll cover all the basics, including turning on a computer, the parts of a computer, how to use a mouse, and how to open and close programs.

Call the Blue Ridge Library at 540-977-3433 to register.

Internet 101

Tuesday, September 23rd: 2:00pm-4:00pm @ Buchanan Library

Curious about this thing called the Internet? Then come to Internet 101 to get a basic introduction on how to use it, what it can do, and how much fun it can be to surf the web! For beginning computer users with basic keyboard and mouse skills.

Call the Buchanan Library at 540-254-2538 to register.

E-mail Basics

Tuesday, September 30th: 2:00pm – 4:00pm @ Eagle Rock Library

Would you like to start using email, but aren't sure where to begin? Join us, and learn how to write and send emails, add attachments, and organize your inbox. We'll cover all the basics needed to master email, including how to set up your own free Gmail account.

For beginning computer users with basic keyboard and mouse skills.

Call the Eagle Rock Library at 540-884-3880 to register.
