To Whom it May Concern:

I want to thank you for the opportunity to present this application to continue doing business in Troutville, VA. Nacarato Trucks, General Partnership is a class 8 Truck dealership that sells and leases, services trucks, delivers parts, and has body shops throughout an 8-state footprint in the Southeastern United States. We have been in business since 1976 selling commercial vehicles to the end users who fuel this great nation's supply chain and also build the incredibly important infrastructure. We also have a deeply embedded partnership with Volvo Trucks, North America which is engrained in Southwest Virginia and employs some of the great residents of Botetourt County.

With this application, we are looking to move from our current location in Troutville at 3112 Lee Highway in Troutville to the building where Berglund Outdoors is currently operating. The address to the building that we are requesting to move into is 2590 Lee Highway, Troutville, VA 24175. With this move, we would like to expand our footprint and capability of selling and servicing the Volvo trucks that we sell.

Nacarato currently employs 24 people under our very small rooftop and with the new building, we will have to at least add up to 15-20 more positions to fill within the very near future. We are a company who takes pride in the culture we bring; the partnerships we have within the communities that we operate in and what we do to give back.

Thank you again for the opportunity to send this application in. I look forward to working with the people of Botetourt County for years to come.

Sincerely,

Bryan M Slagle – General Manager Virginia and Maryland
