

## Stacking Snail Craft

### Supplies:

- Free Printable Snail Craft Template
- Colored Card or Thick Paper
- Pencil
- Scissors
- Marker Pens
- Glue

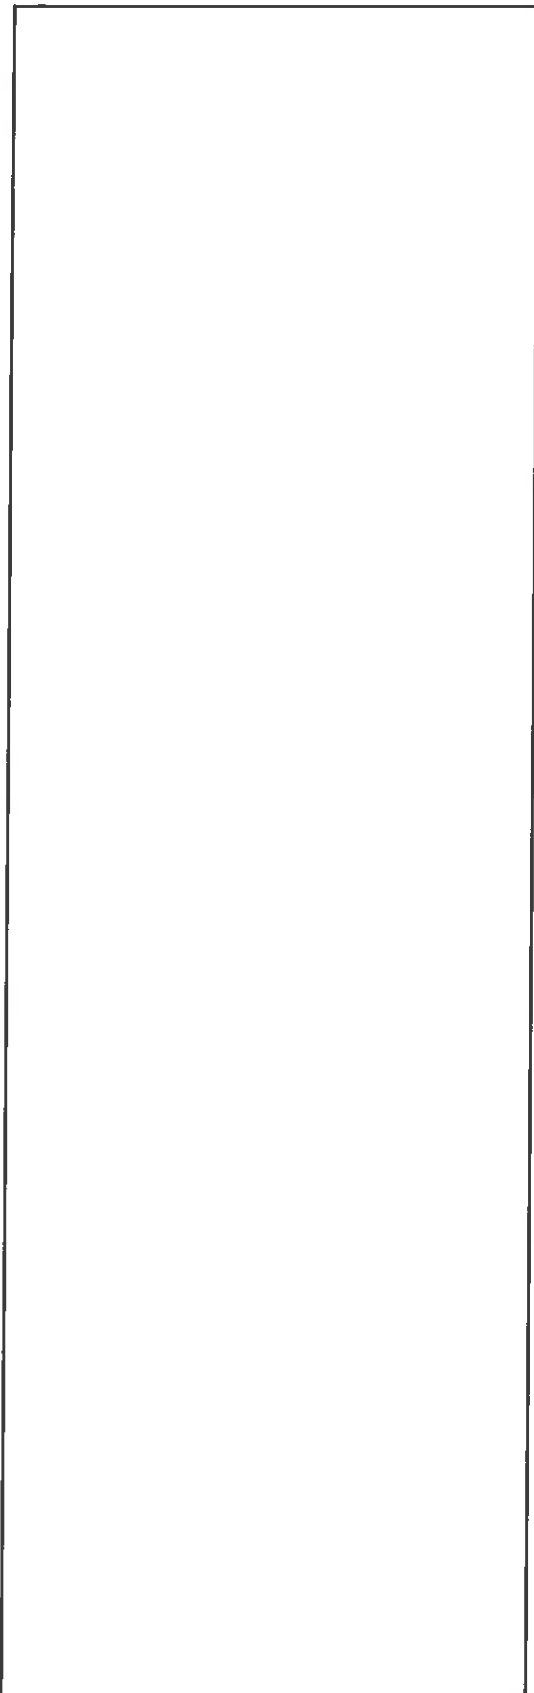

### Instructions:

- 1 – Download and print the free snail craft template.
- 2 – Trace around the snail pattern onto colored cardstock or thick paper. It's fun to make the snail's body and three shell parts in different colors.
- 3 – Fold along the dotted line of shell piece 1 and cut short lines up towards the folds to make little tabs.
- 4 – Roll up shell piece 1 to make a cylinder and glue it.
- 5 – Fold the tabs of snail shell piece 1 under and glue them towards the back of the snail's body.
- 6 – Roll up and glue shell pieces 2 and 3 into cylinders too.
- 7 – Draw pupils onto the snail's eyes and glue the eye stems and eyes into place on the snail's head.
- 8 – Draw a happy smile.
