Supplies:

- Printer paper
- Scissors

Instructions:

1. Fold the paper in half, long sides together (hotdog fold).
2. Open the paper up. Fold with short sides together (hamburger fold).
3. Open the paper up. Lay the paper so the short edges are on the sides. Fold the right side in to meet the center crease. Repeat with the left side. Your paper should look like the letter W.
4. Refold the paper, short sides together.
5. Beginning at the middle fold use scissors to cut along the center crease. Stop when you get to the next fold.
6. Open the paper and fold again, long sides together. Push the cut section together. Crease tightly as you fold the pages of your new book!
