Supplies:

- Colorful paper
- Green construction paper
- Scissors
- Glue

Instructions:

1. Fold the green construction paper, long sides together.
2. Beginning on the fold cut slits in the construction paper about $\frac{1}{2}$ inch apart. Stop cutting about 1 inch before you get to the bottom of the paper.
3. Glue the short edges together to form a circle.
4. Draw flowers and circles on the colored paper and cut them out.
5. Glue the circles to the center of the flowers then glue the flowers onto the flower garden.
