

Popsicle Stick Airplane

<https://onelittleproject.com/clothespin-airplanes/>

Supplies:

- 1 clothespin
- 2 standard popsicle sticks
- 2 mini popsicle sticks
- 1 button
- Paint or markers
- Glue

Instructions:

1. Paint or color the clothespin and popsicle sticks. Let them dry.
2. Glue the larger popsicle sticks to the top and bottom of the clothespin to make the wings.
3. Glue a mini popsicle on the top of the clothespin near the back to make the plane's tail.
4. To make a propeller, glue the other mini popsicle stick to the end of the clothespin that opens.
5. Glue the button to the middle of the propeller.
