

Eligibility Requirements & Refund Policy

Age

The eligibility age for participation in youth sports is based upon sport.

- Soccer: 4-18 years of age
- Tackle football: 7-12 years of age
- Flag football: 6-13 years of age
- Cheerleading: 6-12 years of age
- Basketball: 5-18 years of age
- Baseball & Softball: 5-16 years of age

Although registration is open to all ages listed above, we cannot guarantee there will be enough athletes registered in each age division to create a team. A full refund will be given if there are not enough athletes to build a team in a particular age division.

The cut-off date to establish the age of the child is September 30th of the current year.

Residency

Players on youth sports teams sanctioned by the Department shall be Botetourt County residents. The official address used to determine residency is the current address of the child's primary legal guardian at the time of registration.

Exceptions

Non-County residents who attend a school located in Botetourt County may be eligible to participate pending space is available.

A participant moves out of the County after registration. The participant may continue to play on that team for that season only. They will then need to sign up with the locality or club that serves their new address for all future sports.

Multi-Sport Participation

No participant may participate in more than one Botetourt County Parks & Recreation sanctioned sport in the same season.

Refund Policy

1. 100% of registration fee will be refunded prior to the registration deadline.
2. 50% of the registration fee will be refunded between the registration deadline and the late registration deadline.
3. After the late registration deadline has passed, NO refunds will be administered.
